- Fire Dome – Additional workshops happen here during the daytime
- Water Dome - Additional workshops happen here during the daytime
- Love Temple – A dedicated and held space for exploring intimacy with yourself and potentially others
- Multiple Lakes – for swimming and sunbathing
- Info desk is at reception, you can sign up for healing sessions there and it will have staff at set times to answer any questions.

Healing Temple

There is a dedicated healing team at the festival offering a range of individual sessions, these are extra to the program but can really enhance your experience here - you can book and pay for them at the info desk.

Opening Meeting & Opening Ceremony

We gather at 5pm on Tuesday the 1st in the Air Dome to welcome you to the festival and provide you with all the practical information you will need. After this we open the space together in a special ceremony that will be described to you at the opening meeting. Come wearing fresh clothes, fresh breath and no strong perfumes. There is a program of pre-festival workshops in the Fire Dome before the festival starts – these will be announced by a bell!

Morning Gathering & Family Sharing Groups

Everyday we have an opportunity where we can gather as a whole group before going to various workshops and session - no other events or sessions will be offered at the same time as this and in it we will dance, share silence find out what is happening that day and also meet our families to share together. You will be placed in a sharing group at the opening ceremony and these sharing sessions are a chance to reflect on your experiences and to deepen your connection to yourself and others. This is from 9.30-11.30am in the Air Dome after breakfast and we ask you to make it in time!

Temple Space

After the evening program there will be a temple space where you can relax and connect after a full day of experiences – an introduction and opening to this will be offered on the second evening.

Lost and Found

Please bring lost valuables to the Info Desk – this is also the place to find them!

Emotional Support

If you feel sad, lonely or wants some psychological help then please reach out. This is a safe and supportive environment and it is perfectly natural for a wide range of emotions to arise as we go deeper – it helps massively to share. Assistants, healers and our team of love angels are especially good to lend support or to listen – please be aware that sometimes their time is limited as they have other duties as well. There will also be a time-slot every day called “on the blanket” where you can meet individually with the love angels for any support or questions you may have.

Sexual & Emotional Health

At this festival you have a chance to explore your boundaries and to meet interesting people from all over the world in a new and exciting way. Ultimately you are the one responsible for your own well-being. That means you can always say “no” if something doesn’t feel right, or to leave a workshop situation. Before doing so it is good to notify a workshop leader or assistant. If someone is bothering you please let that person know him/herself before telling anyone else. If that is not possible then you can always talk to the assistants or workshops leaders

To support safer sex condoms are provided in the Temple Space, but to respect others we ask that you do not make love in any communal areas.

Photography & Filming at the Festival

We ask all participants to respect the policies that there is no photography from participants of other participants unless their express permission is given.

By signing up for this festival you also accepted that we have our own professional photographers who will be capturing film and photos for our promotional purposes – they are instructed not to intrude on participants and would only film in some select moments in limited number workshops where it is appropriate. If you are not wanting to be in these photos then we will ask the photographer to take one photo of you at the start and then we will know to edit you out or use only those photos where you do not appear. We appreciate your co-operation with this.

Smoking & Alcohol/Drug Free Policy

There are smoking points signposted away from the eating areas – please stay in these areas to smoke and use the ash trays provided there. The Festival is also an alcohol and Drug-free area. If you are found under the influence of drugs you will be asked to leave.
